Recent changes in state personnel law require us to inform all applicants of the following:

1. There is no guarantee of a job offer or job interview in completing our application. Your application will be considered along with others who have submitted applications, and decisions about interviews will be based on this comparison.
2. Our application must be **completely** filled out in order for you to be considered for employment.
3. Resumes may be attached; however, **resumes will not be accepted without a completed application form**. "See Resume" will be considered an incomplete field.
4. If the information provided on your application cannot be satisfactorily **verified** by employment reference checks, your application could be considered as incomplete.
5. Applications are filed according to position title and number. Be as specific as possible in stating the job you are applying for. "ANY" position is **not** an acceptable response on our application.
